### **CASE UPDATE: An Update on Operation Heartbreaker**

**BUNNELL, FL** – On Tuesday, April 23, another outstanding fugitive from the Flagler County Sheriff's Office's (FCSO) Operation Heartbreaker was arrested in Daytona Beach, Florida.

Following weeks of apprehension efforts from FCSO's Special Investigations Unit (SIU) and Problem Area Crime Enforcement (PACE) detectives, Edward Hupp II was arrested by the Daytona Beach Police Department's Crime Suppression Team. During the arrest, Hupp attempted to flee on foot and dispose of illegal narcotics, but he was quickly captured and arrested, and the narcotics were recovered. In addition to his charges from Operation Heartbreaker, Hupp now faces multiple charges in Volusia County.

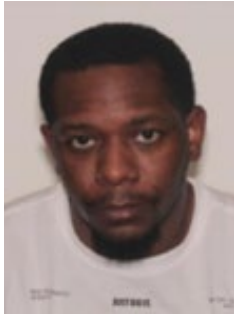

Hupp is one of several outstanding fugitives to have been arrested in the subsequent months following Operation Heartbreaker. On February 15, the day after the operation was conducted, one outstanding subject—Richard Knoblauch—was arrested and four more—Solomon Coley, Jaquadis Johnson, Jonnie Emanuel, and Shamine Giddens—turned themselves in at the Sheriff Perry Hall Inmate Detention Facility. On March 15, another fugitive, Stanley Hankerson II, was arrested in Daytona Beach by SIU and PACE detectives working with the Volusia County Sheriff's Office.

As of this release, only four outstanding fugitives remain from Operation Heartbreaker. They are:

Sheriff Rick Staly encourages anybody with information on the whereabouts of any of these subjects to contact FCSO by calling 386-313-4911, emailing [TIPS@flaglersheriff.com](mailto:TIPS@flaglersheriff.com), or submitting a tip through our website or mobile app or calling CrimeStoppers at 888-277-TIPS (8477).

“It’s been several months since Operation Heartbreaker, but these poison peddlers are mistaken if they think they can hide from us and our partners because we will never stop looking for them,” said Sheriff Staly. “Our SIU and PACE teams are actively working with our partner agencies to track down the four remaining fugitives wherever they may be hiding. If the public has any information on the remaining four fugitives, please submit a tip so we can send them to the Green Roof Inn.”

FCSO's Special Investigation Unit (SIU) seized 4 firearms, just over \$6400 in cash, and over 1.3 kilograms of various kinds of drugs in Operation Heartbreaker, including cocaine, fentanyl, methamphetamine, cannabis, and MDMA. "When they saw something, they said something. We investigate every tip, and today you see the results of your tips. We will never know how many overdoses or deaths we prevented with this undercover operation."

Sheriff Staly says it's only a matter of time before FCSO rounds up the rest of the poison peddlers.

"If you are on this list and have not been arrested yet, just call us or go to the Green Roof Inn and turn yourself in," Sheriff Staly added. "That way, you don't have to look over your shoulder wondering when we will be arrested because I promise you, if you are one of these poison peddlers, we will get you. This should also be a warning to drug dealers that, if you are not listed in this operation and you are selling poison in our community, I suggest you get out of Flagler County because you are next! And if you sell a fatal dose of poison, we will investigate you until we can lock you up for murder."
